Liberty Savard Ministries Inc. Newsletter - (Revision) January 30, 2008 January 2008 Newsletter - (A Non-Profit Organization)

God Is On the Move in 2008!

Happy New Year, and "Wow, God is on the move!" Incredible things are opening up this year!

Please ask yourself this question: "Do I still want to be right where I am now when 2009 rolls into your life? Or, do I want to be more healed, more blessed, more excited, and closer to God after this year?"

If you answered NO and YES in the right order, you need to change some things. Having more of the best means changing. Ask yourself if you want to work with God this year instead of being worked on by God.

You need to change the way you react to other people and to circumstances. You need to change the way you make decisions. You need to block your soul from recycling its old negative thought patterns.

You need to change how you have felt and still feel about the promises of God that you have not seen answers to yet!

Easy for me to say? YES, but only because I have been living out the Keys of the Kingdom Message for two decades which have caused real change in my life every year. Often the change has come because I quite trying to figure out and solve the problems that were too big for me. I

started learning how to cooperate with and work with God instead of having to be worked on by God after I had messed everything up.

I've learned, I'm still changing, and I'm loving the fruit of it! When a pregnant woman is in the final stages of hard labor pending the birth of her baby, she does not want to hear someone who has never birthed a baby telling her that things are going to be just fine. She wants to hear a woman who has birthed a dozen big babies and is alive and well to talk about it telling her that she will be all right. From me to you—you will be just fine!

This is encouragement from someone who has already had the experience and the understanding that the Keys of the Kingdom change can bring. All of the labor pains and the birthing pressure you have experienced, and may be currently experiencing, will produce the answer and the reason for all your preparation. Work with God, use the Keys of the Kingdom as a tool for change, and new life will burst forth in you.

There is great potential for breakthrough and new life for you in 2008. These are not marketing words, campaign words, or HYPE! This IS the year when you can declare that you want to work with God, that you want all He has, and you are ready to receive it. The message of the Keys of the Kingdom will walk you through your receiving and changing process, every step of the way.

If you call our office and ask Linda or myself for help, that is fine, but know this: One of the first things we are going to ask you is: "Have you read any of the books? Are you currently praying the prayers on a daily basis?" We are going to verify right up front that you are doing your part to try to work with God instead of just hiding out in your own little zone while God works on you.

One of the most difficult things that I personally experience with this message is when people keep crying out for God's help, but they are doing nothing to open up an avenue for His help to come to them. You have the potential of doing great and marvelous things for God. All you have to do to start working with Him is to use the Keys of the Kingdom prayer principles to get your soul's guard down and its obstacles out of your way.

I used to get very frustrated when people would tell me to just hang on and have faith, that some day I would have my answer. This implied (to me) that it was up to me to prove that I could “hang on” no matter what God threw at me. There were times I got really tired of “hanging on.”

I now understand that answers did not come when I wanted them to come because there were things in my life that needed to change before I received the answer or the blessing. Here’s my poem on that:

**God sometimes has to change others, too,
but 99 percent of the time, it’s me and you!**

There were certainly some things that I needed to let go of before God could give me some of His best answers. I needed to let go of my desire to control my life before God could guide me into my future. I needed to let go of my hard feelings towards others before God could bless me with certain answers.

I needed to stop seeing every closed door as God’s NO to me. I needed to recognize that I needed to change before I was ready for what was on the other side of the closed door. I needed to recognize that until I stopped fussing about how God did not want me to be successful, or happy, or blessed (yes, I did that), I would not be in agreement with Him and therefore ready for His best.

We have SO much more to do with when the answers and blessings come into our lives than we have believed!

God is not making you wait to be *good enough* or to be *doing enough* for His Kingdom. You can’t bank Brownie points with God! Can you imagine Jesus trying to stockpile Brownie points with His Father? If you believe God put you here on Earth just to DO stuff FOR Him, you are so wrong. God doesn’t need you to do anything for Him; He just really wants you close to Him.

When you are not getting answers to your prayers, He is usually trying to get you to change. He wants you to learn how to pray in agreement with Him, instead of praying your self-agendas, self-motives, and your fears and anxieties because you don’t think He will give you what you want! If He is working on getting others into alignment with His plans for you, the faster you surrender and start cooperating with Him, the faster others will allow themselves to be moved into alignment with Him.

God is always ready to give you whatever you need to get on down the road with Him and your destiny. But your unsundered soul can get so IN THE WAY of His plans that He has to keep doing whatever it takes to get you to surrender to His plans and purpose—great, powerful, gorgeous, exciting plans and purposes tailored just for

your life and destiny! Miracle plans, miracle purposes! WOW.

I am not saying that praying the Keys of the Kingdom prayers are the only way to start cooperating with God. But based on the experience of having been a militant, hostile, six-foot tall feminist who was raised in an alcoholic home as an only child—if these Keys of the Kingdom prayers have repositioned me for where I am now headed, you can believe they are powerful! They can help you begin to **work with** God in 2008 for big and exciting things to open up for you, too.

What Are We Most Excited About at LSM?

We are currently very excited about our “Royal Academy” of 16 Long Distance Training students in England. We are also excited about our students in Singapore, China, New Zealand, England, Australia, and here in the United States. More about the Long Distance Training program later. All of our pending projects for 2008 will be able to be studied, viewed, and/or heard worldwide! Today’s technology is so exciting!

On Wednesday, February 13th, 2:30 pm PST, I will be re-launching my new Internet, live call-in radio talk show, Liberty Savard LIVE. See following article. I will also be co-hosting and guesting on Heartbeat’s call-in talk show this month. See calendar for more information.

On February 28th and March 6th at 5:00 PST, I will be doing a live, two-part mini-course for Heartbreak University on <http://www.heartbreakuniversity.org/LibertySavard/index.htm> called **Making Room to Receive Your Miracle from God in 2008!**

On March 15th, from 9:30 am to 12:00 noon PST, I will be hosting a live 2½ hour long webinar on learning how to pray with the Keys of the Kingdom to change your life and the lives of those you love called **2008: Your Year for Exciting Changes in Your Life!**

We will also be setting up Liberty Savard Academy, an online school for advanced training and for certifying LSM Teachers worldwide. More to come on that in a later newsletter. Thank you, God, for letting me work *with you* to experience all of these exciting opportunities. I could never have found them on my own.

Liberty Savard LIVE Talk Radio on the Internet

Beginning Tuesday, February 5th at 6:00 pm, I start my own live radio talk show on the Internet – Liberty Savard LIVE! This show can be heard around the world, and it will also be on RSS (satellite) and iTunes. The shows are also archived for those who want to listen later or who want to tell others about a certain broadcast. Please either join us live or check out the archive downloads.

I have been blessed with the help of Michele Washam, author of *Protecting Those You Love in an X-Rated World* (Bridge-Logos). I call her Techno Lady because she is so knowledgeable about new Internet technology. She is handling all of the technical side of these projects, getting webinars up and functioning, and even getting me set up on the talk radio site (not an easy task, I'll tell you). Many times I have called her in Tennessee and said, "I can't find the button (or the blank) that you told me to push (or fill in)." I am definitely technologically impaired if I cannot even find the button or the blank!

On February 13th, the title of Liberty Savard LIVE will be: **Keys of the Kingdom Praying – Part 1**. In Matthew 16:19, the Keys of the Kingdom, binding and loosing, are for you to use in prayer to cause your overloaded mind to give up its wrong thought patterns, to cause your stubborn will to surrender to God's wonderful plans for you, and to cause your soul to allow the Holy Spirit to heal and balance your emotions. Learn how to use these Keys effectively for personal breakthrough! The next three shows (all on Wednesday afternoons, 2:30 pm PST) are entitled: **Keys of the Kingdom Praying – Part 2 (2/20)**; **Keys of the Kingdom Praying – Part 3 (2/27)**; and **Keys of the Kingdom Prayers to Tear Down Strongholds (3/5)**.

These radio shows may be accessed by going to www.blogtalkradio/liberty-savard-live and registering, then signing onto the show. You can also go to the LSM website at www.libertysavard.com and click on the talk radio icon on the home page. Listeners can also call during the show's live broadcast by dialing 347-205-9341. (Check out <http://www.skype.com> or <http://magicjack.com> for free long-distance calls in US and Canada. International calls on Skype can be as low as two cents per minute!)

The show schedule had to be changed due to the fact that BlogTalkRadio's rules say that no religious content is allowed in Prime Time. Their site, their rules, I respect that. But we will have complete freedom during afternoon hours and shows can be downloaded from the archived segments for later listening. Join us!

**Live Mini Series - February 28th and March 6th, 2008
Making Room to Receive
Your Miracle from God in 2008!**

On February 28th and March 6th, I will be teaching for Heartbreak University, speaking mainly to ladies struggling with issues that stand between so many women and an exciting full-time experience with God and His purposes for their lives. This two-day live, interactive mini-course provides specialized reading assignments and a study manual that will be e-mailed to you after you register. The reading assignments and the manual will

prepare you to absorb the maximum potential of the teaching during the webinar. To enroll now, go to: <http://www.heartbreakuniversity.org/LibertySavard/index.htm>.

**UPCOMING LSM WEBINAR – March 15th, 2008
Hosted by Liberty Savard
2008: Your Year for Exciting Life Changes!**

On Saturday, March 15th, from 9:30 a.m. PST to 12:00 noon PST, I will be hosting my own webinar **2008: Your Year for Exciting Life Changes**. Upon your registration of \$65, pdf reading assignments and study manual will be e-mailed to you to accompany your webinar teachings. The pre-webinar reading material and study manual will enhance your learning experience. **Enroll after 2/1/08:** <http://www.heartbreakuniversity.org/LibertySavard/webinar.htm>

The additional reading assignments are the updated, newly edited versions of some of the pertinent chapters from several of my books along with the latest revelation understanding on making exciting changes to your life. The specialized manual contains pre-webinar homework for deeper understanding.

**Webinar Scholarship Fund
For Soldiers in Iraq**

I have been sending my books, teaching DVDs, CDs, and prayer charts to the troops on the front lines of Iraq through Chaplain Kenneth Reid who recently said to me in an e-mail: "I want to give these soldiers a beginning foundation of wholeness to take home from here. I believe your books can help me do that."

When I told him about the upcoming webinars, he said that he wanted all of the dates and times so his soldiers could participate. With your help, LSM will be able to provide scholarships and more books, CDs, DVDs, and prayer cards for soldiers. Can you help us enlarge this special outreach we are already supporting?

Just make your donation out to **Liberty Savard Ministry–Special Account** (by check, by the donation page on our website with the word "IRAQ" after your name, or by PayPal with the notation "IRAQ"). A donation of \$65 will register a soldier and provide reading material and a training manual for him or her. You can help provide special training for soldiers to learn about surrendering struggles or brokenness they went into Iraq with or that they might come out of Iraq with. These young men and women are brave, dedicated, and deserve all of our support, prayers, and best wishes.

**LIBERTY SAVARD ACADEMY
Long Distance Training on the Internet**

According to the dictionary, an academy is a school or college for specialized instruction or training in a subject.

This perfectly fits the idea of the Liberty Savard Academy—specialized training in overcoming and surrendering your unsundered soul through understanding the power of praying right prayers with the Keys of the Kingdom.

The Liberty Savard Academy will initially offer the LSM Long Distance Training Program with 16 one-hour teaching DVDs with manuals for Teachers’ and Believers Training. Wherever you are, you will be able to take the training if you have access to a computer and the Internet (unfortunately, dial-up service may or may not work).

Further information will be available as we begin to build this new site, but you can check out the 16-session program on our website at www.libertysavard.com right now. You can become a LSM Certified Teacher or a more informed and effective Believer studying to influence the world as you learn and work right in your own home, at your own pace, anywhere in the world. Such a deal!

Liberty Two Newest Books in 2008

I would appreciate your prayers as I am writing two new books, both in styles and formats I have not yet worked with. One book has a working title of *Walk the Word*, a study of how to make the Word of God practical and doable in your everyday life. The second book is for young people with the working title of *Tiny Journey*. I would so appreciate your prayers as I work on them.

Liberty Savard’s Beginners’ and Advanced Writing School in Sacramento CA or through Liberty Savard Academy Online in September 2008

We are working on a 3½ day webinar for the Writer’s School based upon whether we are able to get our own webinar platform in place by this summer. We are believing God for the \$8,000.00 required to do that. Webinars are very helpful to people who cannot afford airfare, lodging, meals, and the school registration. Watch the newsletters for further information.

Testimonies

Dear Liberty: A week or so ago I emailed you and several other ministries with a prayer request about the fact that my wife is filing for a divorce. I received a “canned” reply from everyone except you. I respect the fact that these other ministries are large and probably receive tons of emails every day. The leader of that ministry cannot answer them all, nor can his staff. Then I received a message from you personally. I cannot even begin to tell you what that did for me! Talk about uplifting my morale!!!! I have printed your advice out in large type and taped it to my office wall above this computer. I look at it, pray about it, and thank you for it several times a day. I

cannot tell you how much I appreciated hearing from “The Boss” of a ministry. Thanks, Harold in Texas

Dear Liberty (sounds like a good title for a book/movie!). I have been plodding thru your book slowly and prayerfully, meditating upon the contents. I have found the simplest application of your insights very liberating and I praise God for that revelation He has imparted to you “*that we might know the things that are freely given to us of God,*” I Corinthians 2:12.

The Holy Spirit bears witness with my spirit as to the authenticity of the things you have written. I have been more than weary of dragging my “stuff” around most of my life, and tired, too, of burning my bridges with a volatile and resentful approach to life and my relationships. I would like to thank you for your initiative in *searching these things out*. I plan on purchasing the book in volume (perhaps a dozen) then distributing them as the Lord leads. God bless! Robert

Gracie’s Testimony!

This one is just for animal lovers: I (Liberty) returned home from a ministry trip last year and began looking for my cat, seven pounds of fur and purr who spent the first six years of her life on my mother’s roof. My mother called her Roof Cat or Roofus. No one could approach her, and my mother’s seven other cats picked on her. When my parents passed away in 2003, I found homes for all of her beloved cats except one very small, very worried, but very aloof Roof Cat.

We did not catch her until the day I had to drive 200 miles home to Sacramento by 1:00 pm. I had my staff in Sacramento pray with me to bind Roof Cat to God’s will. Shortly thereafter, my daughter-in-law took a piece of chicken outside to try to lure the cat from the roof, and Roof Cat suddenly fell off the roof right into her arms!

We stuffed her into a pet carrier and Roof Cat became Gracie on her way to Sacramento. I believe that after we prayed, an angel booted Roof Cat off the roof so I could bring her home with me.

While I am on the road ministering, Gracie has her own kitty nanny who comes and cares for her twice a day. Six hours after I arrived home from one ministry trip, Gracie was hunched up on the floor with her head drooping.

Early the next morning, I awoke to her crying pitifully, obviously in much pain. I rushed her to the emergency room of her vet and they began to run tests, take x-rays, and did an ultra sound on her. She had an abnormal bowel obstruction. Surgery was recommended as they were unable to tell if it was a large hairball, a tumor, or cancer.

I authorized more x-rays and waited for the doctor's report, painfully aware of how important that little ball of fur and purr had become to me. Suddenly a Scripture jumped into my heart, Psalm 138:8 (*Amplified*), "*The Lord will perfect that which concerns me; Your mercy and loving-kindness, O Lord, endure forever — forsake not the works of Your own hands.*" This verse was linked to Psalm 57:2, "*I will cry to God Most High, Who performs on my behalf and rewards me [Who brings to pass His purposes for me and surely completes them]!"*"

While the context of these Scriptures is not referring to sick pets, these words sprang alive to me: *THE LORD WILL PERFECT THAT WHICH CONCERNS ME, HE WILL PERFORM ON MY BEHALF.* I held onto those verses to tightly, they squeaked. The doctor's report came back saying that there were no tumors in Gracie's lungs and they were ready for her surgery.

Several days later, Gracie finally came home. Shaky and a bit spacey, she began to recover. She is now back to her usual self, keeping me company on her terms. Usually, that means she gets up and walks across my computer keyboard to get my attention, or she pulls down the newspaper I am trying to read and climbs over the top of it to get to me. She hates it when I get on the phone and begins meowing loudly. But my God is so faithful to perfect that which concerns me and you. And He even takes care of our pets!

Who and What is LIBERTY SAVARD MINISTRIES?

Reverend Liberty S. Savard, President of Liberty Savard Ministries, Inc. (a non-profit corporation), was born again in 1972. She is an ordained minister with credentials from the Evangelical Church Alliance (P.O. Box 9, Bradley, Illinois 60915). Rev. Savard has served as a singles director, associate pastor, speaker, and Bible teacher. She is the author of *Shattering Your Strongholds* (1993 Bridge-Logos Pub.), *Breaking the Power* (1997 Bridge-Logos Pub.), *Producing the Promise* (1999 Bridge-Logos Pub.), and several mini-books and workbooks. With *The Unsundered Soul* (2002 Bridge-Logos Pub.), *Apples of Gold in Baskets of Silver* (2003 Bridge-Logos Pub.), and *BEYOND Shattered Strongholds* (2005 Bridge-Logos Pub.), she now has 14 books in print around the world.

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ's shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

This ministry teaches Christians how to cause their unsundered souls (old natures) to surrender to the will and purposes of God. LSM also teaches Christians how to loose emotional baggage from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! This ministry also teaches God's people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God's already established will in heaven. This ministry is also dedicated to training Christians how to pray purely without "want lists" and instruction manuals for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God's will shall be done on Earth as He has so set it in heaven.
