#### THANKSGIVING and CHRISTMAS This year they can be different!

Do we always look forward to these special days? Or do

our thoughts go to the relatives that are going to be there? Do our thoughts go back to past traumatic holidays and dare to hope that this year will be different?

Be the one who brings a change this year! Consequences birthed by your actions, words, or thoughts can bring positive or negative results into your life and into the lives of your family members.

One of the first areas you need to think about is whether or not your expectations exceed what your relatives are willing or able to give. Don't try to create new Thanksgiving or Christmas "traditions" that exceed their comfort zones. They will be more comfortable, and you will not have a major expectation disappointment.

It not unreasonable to have blessings before dinner or prayers of thanks to God for their presence, Start right now with your Family Dynamic prayers for yourself and others.

I come from a family where everybody is a chief—no Indians, just chiefs. Full war paint, headdresses and all, chiefs.

We experienced some very dynamic family dynamics—dynamics being *continuous interacting forces within a group*. That was us, all right, heavy on the forces and heavy on the continuous. Interacting was sometimes rather volatile,

or it was before I learned about the Keys of the Kingdom principles.

Most family dynamics begin over an upset of the balance of power among hurting souls in a family. Then a second dynamic begins to change. A completely different focus enters and you find yourself embroiled in emotional discussions about things that have nothing to do with where it all started. Once a family is rolling this rapidly, everyone seems to get drawn in and it can really be all downhill from there.

God taught me about making a paradigm shift in my thinking when viewing such negative situations as they first emerge. I believe that many times people want a way out of a negative situation as soon as it begins, but do not know how to withdraw without losing face or being embarrassed.

#### Christians can become a doorway out if they are willing.

It is only hard to do this when you have unhealed hurts and unmet needs that cause you to fear losing face or being embarrassed yourself.

When you have bound your will to the will of God and loosed all hindrances within your soul blocking your own healing, you move closer to becoming that doorway. **Not a door mat, but a doorway.** However, if a doormat is what Jesus needs you to be for a hurting family member, the fruit of love will immediately try to flow out of your spirit to obey His request.

Our difficult relationships are usually difficult because of our feelings towards the other person. Some Christians tell me that they love their families, they just don't like them. What a deception. I had someone the other day describe herself as a very loving and kind person, but she just had problems being around lower class people. What a monumental deception that is. I am still praying about that one.

First Corinthians 13 was not put into the Bible because it makes a really neat wall plaque to hang in your bathroom. Or because Paul need a chapter to follow Chapter 12!. **First Corinthians 13 is the pattern of love** for all of us to strive to live by. Only by binding my will to God's will and my mind

to the mind of Christ, by losing my soul's finite interpretation of circumstances and issues, can I ever really see what is going on in dynamics with difficult people. Then I can become a door for them to exit the dynamic. The following prayer will help it begin to happen for everyone:

#### Family Dynamics Prayer

*Lord, thank you that you have adopted us and made us a part of the biggest and best family ever—the family of God! Let everyone of us never forget that huge blessing and benefit. Let me never lose sight of the power of such a great gift because of the painful dynamics of my own human family. As we now move into the end-times, many of our families are more confused and fragmented than ever.*

*A perfect case scenario would be that each of us had experienced all the nurturing, love, acceptance, mercy, and provision that we ever needed. The perfect case scenario would be that we were never abused, neglected, betrayed, abandoned, rejected, ridiculed, wrongly accused, or misunderstood. Many of us never even got close to such perfect case scenarios, Lord, and we have been told we just need to “deal with it” and get on with our lives. Many have felt that such perfection could never be ours.*

*God, you can redeem us with the blood of your precious Son from every terrible thing ever done to us, said about us, taken from us, or committed by us. We just need to cooperate with your redemption. I bind every wounded heart in every hurting family to the truth that you want to and will freely give all the nurturing, love, acceptance, mercy, and provision they can receive. You will never abuse, neglect, betray, abandon, or reject anyone. You will never ridicule, belittle, wrongly accuse, or misunderstand any broken heart. The only thing preventing that from being our heritage right now is the unwillingness of our unsundered souls to trust and surrender our pain to you.*

*Lord, let my see the ones who have hurt me as having been hurt by others who were hurt by others. Let me understand that imperfect people create imperfect people. Let me be the one who stops the cycle in my family.*

*I bind myself to your will, God. I bind my mind to the mind of Christ. I bind myself to the truth that you can restore and make all things new if I will let you. I loose from myself all old patterns of thinking, wrong attitudes, the effects and influences of wrong agreements, and the power of the hard, cruel words that have been spoken to me. I loose these things from every member of my family.*

*Lord, help me to understand that **I don't “have to go there anymore”** when old family dynamics begin to play out. I can be the one who uses the Keys of the Kingdom to open up all of heaven's grace and mercy and blessing for my family. I can*

*be their doorway out. And I will! What a glorious opportunity for me.*

*In Jesus' Name, Amen.*

**Liberty's Other Newest Book *THE OLD BROWN  
ROCKER* is Now Available in PDF Version Right Now!**

This is a children's fiction story that I have written over the past 24 years, and is probably categorized as most appropriate for middle readers, 8-10. But this book is for adults, too. It is a small book, about one-fourth the size of *Shattering Your Strongholds* (11,000 words). This is the story of a nine-year-old girl, Leah, who lives with her widowed mother, Denise. Leah's beloved grandmother is dying in a hospital.

This book explains how to positively explain to a child that a beloved relative is dying.

**Update on the Update on Liberty's Smallish Stroke  
and Heart Struggles**

Thank you for all your cards, e-mails, donations, and prayers. All of them have been immensely encouraging. I still am having a little trouble with fine motor skills of my right hand regarding typing (hence the possible mistakes. I've again been working on this newsletter for several days.

It was a disappointment that my best friend, Marian, was moving nearly 200 miles away to an assisted living situation. We pray together for everyone almost every night. She has had an epidural shot in her back which helped her both with her sciatica and Parkinson's.

I still struggle with discouragement over the stroke and fight a desire to ask, "Why me?" Then I remember the saying, "Why not you?" I remember that many of you are praying regularly

for me, so I keep focused on the Lord. I also remember to thank God for the many blessings that I do have.

Many seem to have a lot less; but many of them are moving as steadily forward as they can. We all have so much in God's love, we all should keep moving. Thank you all so much!

### Questions and Answers

QUESTION: Thank you so much for praying for me. I have felt better since the morning of the 25th, the day after you said you would pray for me. I have been able to start back over in your book, *Unsubmitted Soul*, as well as the Bible.

There is a possibility that I am allergic to gluten. On the 24th I noticed that all of my personal care items contained this and discontinued their use. I know that your prayers made a difference. I was able to make \$50.00 extra today. I give all of the glory to GOD.

I did overeat today, so I still need help in this area. What advice do you have? Again thank you so much for your help. I am going to order more resource material from you when I get finished with this book. Thank you.  
Dan

ANSWER: Dan, remember that you may be overeating to try to cover up feelings that need expression. Do you have anyone you can call when you feel the urge to eat in an unhealthy way? See if you can find a phone buddy. Continue to bind yourself to God's will for your life which includes making good and right choices, choices that will affect your entire life. Continue to loose wrong desires that push you towards making wrong choices when you feel overwhelmed, I prayed for you again today. Liberty

### Testimonies

Good afternoon, Liberty. Wow! The downloads that you offer for potential beginning writers (Liberty's note: found on [www.libertysavard2U.com](http://www.libertysavard2U.com)) are fabulous! I have only listened to the first one (three times) and just began the second one. Really wonderful. I wished I would have had these sooner, it could have saved me some steps. Thank you for making them very affordable.

Blessings my friend, Chaplain Linda Moore

Thank you, you are the best, my life has been blessed and changed by the simplicity of your books and audios. I can never get enough. Thanks for taking time to care for me. Judy

Liberty, thank you for responding to my email. It is much appreciated. I went to the alter at church yesterday and asked for prayer that God will give me the strength to stand steady as He is cleaning up this mess. What I am learning is the importance of not holding anything against anyone and as soon as something happens, to surrender it to the Lord.

I had a situation where my feelings got hurt by a sister in Christ. Not deeply, but yet it bothered me. Instead of holding on to that, I talked to God. I am the type of person who tries to confront things asap, yet there are times when you have to let things go and give it to God.

I wish more people knew about this Liberty. Now that my eyes have been opened, I am waiting for the opportunity to tell as many people as I can about the true nature of strongholds, I just hope they listen. Love you and be blessed!!

### PRAYING FOR THE CHILDREN

Every Monday through Friday morning, I pray with nearly 70 LSM International Intercessors do around the world for children who are in situations of all forms of abuse, hunger, sickness, poverty, and even child slavery. Second Chronicles 7:14 tells us:

*If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land (NKJV).*

I cannot help but wonder if some of our wicked ways are that we do not pray enough for those who need help so badly. This speaks of the power of our prayers for our nations and those in them if we will humble ourselves, stop following our own wills and our own agendas, and pray with all the focus and determination that we can for what is right.

What might be considered one of our wicked ways as spoken of here? Could it not be that we have not cried out for others, especially the children of the world everywhere, every day! Please join with me and others in praying for the children of the world who desperately need us to agree that God's will shall be done in their lives and quickly.

***Lord, I come to your with pain in my heart asking that you forgive me for not daily remembering and praying for those who cannot help themselves. I bind every child in the world to your will. I bind their minds to your mind, Jesus, and I bind their wounded and ragged emotions to the healing balance and comfort of the Holy Spirit. Please speak words of encouragement and hope to them. Please send help to rescue them quickly.***

***I loose the enemy's influence from all adults who are using and abusing so many children in the world today. Please***

*heal them from whatever has driven them to such behaviors. People are not born knowing how to abuse; they learn from being abused themselves. Please break this evil cycle in their lives.*

*I loose, smash, crush, and destroy the enemy's works that are coming against these children. You have said if we would humble ourselves, pray, seek your face, and turn from our wicked ways, then you would heal our land. Please show us all that we need to do to work with you to see our*

*lands and the children in them become safe and healed and filled with hope. Thank you, Father God. Amen*

**Always remember James 4:17 (NIV):  
Anyone, then, who knows the good he ought to do  
and doesn't do it, sins.**

**Who and What is LIBERTY SAVARD MINISTRIES?**

Reverend Liberty S. Savard, President of Liberty Savard Ministries, Inc. (a non-profit corporation), was born again in 1972. She is an ordained minister with credentials from the Evangelical Church Alliance (P.O. Box 9, Bradley, Illinois 60915). Rev. Savard has served as a singles director, associate pastor, speaker, and Bible teacher. She is the author of *Shattering Your Strongholds-Updated* (original publishing 1993 Bridge-Logos Pub.), *Shattering Your Strongholds Workbook* (LSavard Pub. 2011) *Breaking the Power II* (original publishing 1997 Bridge-Logos Pub.), *Producing the Promise* (1999 Bridge-Logos Pub.), and several mini-books and workbooks. Her books also include *The Unsundered Soul* (2002 Bridge-Logos Pub.), *Apples of Gold in Baskets of Silver* (2003 Bridge-Logos Pub.), *BEYOND Shattered Strongholds* (Bridge-Logos Pub.), *GPS for the Soul* (2010 Bridge-Logos Pub.), *The Binding and Loosing Prayer Manual* (LSavard Pub.s 2009), *Binding and Loosing for Beginners* (LSavard Pub 2010), and *The Old Brown Rocker* (LSavard Pub 2011).

This ministry believes the Scriptures are inspired of God, infallible, and fully authoritative for Christian faith and conduct. Jesus Christ, the Son of God, was born of a virgin, lived a sinless life on Earth, died on the cross in a substitutionary work of redemption for mankind, rose again and now sits at the right hand of the Father. Through Christ's shed blood and renewal of the Holy Ghost, justified by grace through faith, man becomes an heir of God with absolute hope of eternal life.

Liberty teaches Christians how to cause their unsundered souls (old natures) to surrender to the will and purposes of God. She also teaches Christians how to loose emotional baggage and toxic waste from their souls to create room within themselves to receive all God has promised to them for today. This allows believers to fulfill their destinies while walking in knowledge and power to bring glory and honor to God the Father! The message of binding and loosing and the Unsundered Soul teaches God's people how to pray with the Keys of the Kingdom (Matthew 16:19) to impact things on earth so they come into alignment with God's already established will in heaven. Liberty also teaches Christians how to pray purely without "want lists" and soulish instruction manuals for God (so He will know how best to answer their prayers!). Effective prayers with pure motives declare that God's will shall be done on Earth as He has so set it in heaven.
